

A Deeper Future

When our brood gathered to celebrate Mother's Day last month, I was reminded that having children raises your horizon. Suddenly the future seems deeper.

Having grandchildren does much the same, only deeper still.

Mary, my wife and I have 6 grandchildren; every one has the potential to live long enough to see the 22nd century. Imagine. Our most recent addition, Matilda will be 77 on January 1, 2100.

A tree planted today will also be 77 on Jan 1, 2100. Depending on the species, it could be 4 stories tall and its trunk a few meters or more in girth. Now imagine forests of them in communities across the country. [Read more.](#)

A New Trees for Life Campaign: Honouring More Heroes to Help Save Our Planet

One million trees. \$6 million dollars.

On Wednesday, May 17th, Trees for Life hosted an intimate event to thank some of our longest-standing and most ardent supporters. It was also when we announced the details of the new *Trees for Heroes Campaign*. [Read more.](#)

Swing into our golf event!

We are excited to announce that registration is open for our Annual Golf Tournament. It's always a special occasion when we come together, thanks to supporters like you who are united in our goal to create greener communities. Last year, your generosity raised \$67,000 to support this work. Our fundraising goal for the 2023 tournament is \$100,000 – we appreciate your help to get us there!

We have many coveted sponsorship opportunities available to help you reach a discerning crowd with your marketing message. A few options are still available between \$500-\$5000. Plus, all sponsorship dollars will be matched by the Barrett Family Foundation, doubling the impact of your support.

Spaces are limited. To avoid disappointment, register today. For more information on location and registration, [click here.](#)

Trees for Life Partner Spotlight: Harrington & Associates

Harrington & Associates is a construction management company based out of Richmond Hill, ON. Their company slogan is "Building Relationships", and it could not be more appropriate for not only describing their approach to providing excellent client service but also what they do to give back to their community. [Read more.](#)

Have you Seen our Ad?

Last month, we ran a contest on social media where followers were entered in a draw for a chance to win a Trees for Life prize. Congratulations to our winners Rosemary and Leanne C.! To join our next contest, follow us on social media on Facebook, Instagram, LinkedIn and Twitter.

Get To Know Our Natives by Nature

Some interesting facts you may not know about the Kentucky Coffee tree. [Read more.](#)

In this newsletter, we are launching TFL's Champions Program, where we honour individuals who have shown unwavering support and generosity to TFL to help turn our dreams into reality, be it by providing major gifts, multi-year commitments, or helping to spread the word and grow our network of supporters. This is our way of showing them our gratitude.

Champions Spotlight: Elaine Solway

Elaine Solway, a passionate gardener and nature enthusiast, shares how the strength of relationships and the work of Trees for Life is putting climate action in the hands of everyone, and creating lasting, living legacies. [Read more.](#)

In appreciation of your Hero

We are grateful to those who have shared the stories of their heroes and loved ones. To share a story for publication, contact us today.
